The Standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

Please follow all vaccination requirements as dictated by your regional Health Authority. ## **Dressage Judges**

---

### **Gold Ring**

**John MacPherson  
Ontario Canada**

John MacPherson is an FEI competitor, EC Level 3 dressage coach and EC Senior Status Dressage Judge. His expertise in dressage and flatwork is immensely valuable to all levels of riders! John is a multi-year listed rider who has represented Canada Internationally for more than 25 years.

### **Provincial Ring & Super Nova Gloria Schriever Langley BC**

Gloria is a professional Dressage rider and USDF Gold medalist with multiple winnings from young horse classes up to FEI Grand Prix. Having competed multiple horses in Germany, Canada and the United States Gloria's home base is GPI Dressage in Langley BC. Here she trains both her personal horses, select client's horses as well as coaches and mentors students through the levels of Dressage. In addition to her Equestrian endeavours Gloria also holds a Bachelor in Business Administration from Kwantlen Polytechnic University

### **Equitation & Hack Lezah Williamson Aldergrove BC**

Lezah Williamson is an 'A' Pony Club graduate who is also an EC licensed competition coach; she has just retired after ten years as National Education Chair for the Canadian Pony Club. As a junior, Lezah started dressage lessons with Olympic level coaches Peter Propfke and Inez Propfke-Credo, and later continued to fill in her dressage and equitation background with the help of trainers such as Jacquie Oldham, Leslie Reid and Cindy Ishoy (amongst others). Lezah's passion in her youth, however, was jumping, and she competed extensively in hunters, jumpers and specialized in equitation over fences (medals classes). Later she added eventing to the roster, and represented BC at Young Riders in eventing. However, the one constant thread in her competitive life has been the thrill of riding in the hack classes. Today, Lezah spends most of her time coaching in a wide variety of areas – dressage, equitation, hack, hunter, jumper, eventing and even mounted games, as well as helping to prepare riders for their Pony Club tests. One of her competitive highlights was coaching Canada's 16-25 dressage and jumping team in Hong Kong at the 2019 Inter-Pacific Exchange.

### Prix Caprilli

#### Prix Caprilli Prix Caprilli Test I (No canter – trot poles)

The Prix Caprilli test provides an opportunity for the horse and rider to demonstrate elementary skills in dressage and jumping. It is understood that in the working gaits, a jumping horse is not expected to be as on the bit (round) as a competing dressage horse. The horse must softly accept the bit and may show more roundness in the parts of the test separate from the jumps. Trot work to be done posting. Transitions into and out of the halt may be through the walk. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where they stop

#### Prix Caprilli Test 2 (Canter & 2ft max. Jump)

Prix Caprilli Test #2 - For horses with jumping experience showing Training Level Dressage or above - maximum height of fences 2 feet. The horse must softly accept the bit and may show more "roundness" in the parts of the tests separate from the jumps. Trot work to be done posting. Transitions into and out of the halt may be through the walk. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where they stopped
